

Adopt-a-room

You have the opportunity to partner with Mercy and Truth Medical Missions (MTMM) through the Adopt-A-Room Program. As part of the efforts to raise funds for MTMM, individuals or organizations can "adopt" various rooms within the facility complex. You may choose a specific target area to adopt such as missionary housing, health care exam rooms, birthing rooms and offices. Each individual or group adopting a room will have a plaque placed at the entrance of the room identifying the donor, or your favorite bible verse. The minimum contribution is \$5,000 per room. If you want to participate in this program, please complete and return this form to the address indicated below.
